

Donald A. Brown
Senior Research Associate, Rock Ethics Institute
The Pennsylvania State University

Mr. Brown is the Director of the Pennsylvania Consortium for Interdisciplinary Environmental Policy, an organization comprised of 56 colleges and universities in Pennsylvania as well as the Pennsylvania Departments of Environmental Protection and Conservation and Natural Resources. He also serves as Senior Counsel for the Pennsylvania Department of Environmental Protection. Mr. Brown has worked for most of his career as an environmental lawyer or in policy for two US states, New Jersey and Pennsylvania, and the United States Environmental Protection Agency, Office of International Environmental Policy. In the fall of 2007, Mr. Brown will begin a new position as Associate Professor of Environmental Ethics, Science, and Law at Penn State University. Mr. Brown has written and spoken extensively on the need to integrate environmental ethics, science, economics, and law. He has a bachelor of science from Drexel University in Commerce and Engineering Sciences, a JD from Seton Hall University School of Law, and a Master of Arts in Liberal Studies with a major in philosophy and art.
